To the Parents & Students of the Thundering Mustangs Marching Unit –

It's that time again! At the start of every season, the students and parents get together to fix, repair, clean and prepare all of the equipment needed for the upcoming competitive season. The **Fix-It-Day (Fall)** will be held on **Saturday, September 07, 2024** at Trabuco Hills High School in Mission Viejo, California. We will start at 8:00am and end around 2:30pm. We need donated items for the season and for Fix-It Day, so please review the list below and let us know what you can provide. Additionally, if you are able to help that day, please sign-up on our Online Sign-Ups and/or contact our Co-VPs' of Marching Band – Tracy Tuttle [(949) 226-9526, pinkysgrooming@cox.net], Jeff Vasquez [(951) 897-1535, dodger423@gmail.com], Kevin Pirotin [(949) 767-7441, nivek778@yahoo.com] and Agnes Lee [(714) 232-6019, chonglee915@yahoo.com]. Hope to see you there!

We need assistance from our handy booster parents and students to ensure all of equipment is in performance-ready shape. The current list includes a tune-up of the quad and cleaning of the golf cart; clean out and organize the four storage bins; fix carts for the percussion equipment; paint and finally repair everything...as a start! We will also finish building and painting the props to be used in this year's show!

We need "ALL HANDS ON DECK"!!!

As many students and parents that can participate, we will gladly welcome; you are welcome to come at any time, and stay as long as you can. You do not need to be mechanically inclined to help. Please feel free to bring along any general tools (pliers, wrenches, screwdrivers, etc.) that might be helpful.

DONATED NEEDS FOR THE DAY AND THE SEASON

Home Depot gift cards (to purchase paint, etc.)
Bottled Water, 8oz

Volunteers – please report to the blacktop area near the Lower Bin, which is located between the stadium and the pool area. Please wear clothing that is suitable for painting and/or getting dirty. Our hope is to get everything completed by the early afternoon – the more volunteers we have, the quicker we will get finished! For the volunteers, we will have water available throughout the day, and we will also have lunch as well.

If you are available to provide any help on Fix-It Day, please let us know and come out! Thank you in advance for your continued support of the Music Program!
